Mr. Barton reviewed a few of the Fire Marshal's and building department's comments/concerns with the proposed criteria.

Asked that the Board review the proposed criteria and bring any comments/concerns with them to the next meeting.

Jack Barton stated that he had two referrals, one from the Town Board and one from the Zoning Board of Appeals, asking the Planning Board for their comments and concerns on the following applications:

- 1. Re-Zoning application Doan Chevy Ridge Road to re-zone a small parcel to the west to Highway Commercial. Mr. Barton passed out a few maps showing the property to be re-zoned. Mr. Barton stated that any District Boundary changes require Planning Board review and comments.
 - 2. An application to the Zoning Board of Appeals for an addition to a home on Ampor Beach. The home is presently a non-conforming structure and the Town Codes states that any expansion of a non-conforming structure has to be reviewed by Planning Board and giving a report to the Zoning Board.
